(1). Measured in households. As of FY 2009, the minimum investment for rehabilitated units was increased from \$2,000 to \$6,000 per unit.

(2). Measured in households receiving: foreclosure counseling that resulted in retaining their home, refinancing, and reverse mortgages.

(3). Measured in units. Residential units that are part of commercial structure.

(4). Measured in units. Includes activities not captured in other categories, such as real estate development, self-help housing, and volunteer rehab projects
