# Meet the Panel

How did you earn your  
Disaster Recovery Merit Badge?

# Question #1

If you RE-build it, will they come?

Dredge material pumped into Galveston island to raise the grade after the 1900 hurricane. Residents endured years of pumps, sludge, canals, stench and miles of catwalks during the project.

# Question #2

FUNDERS:

Love them or hate them?

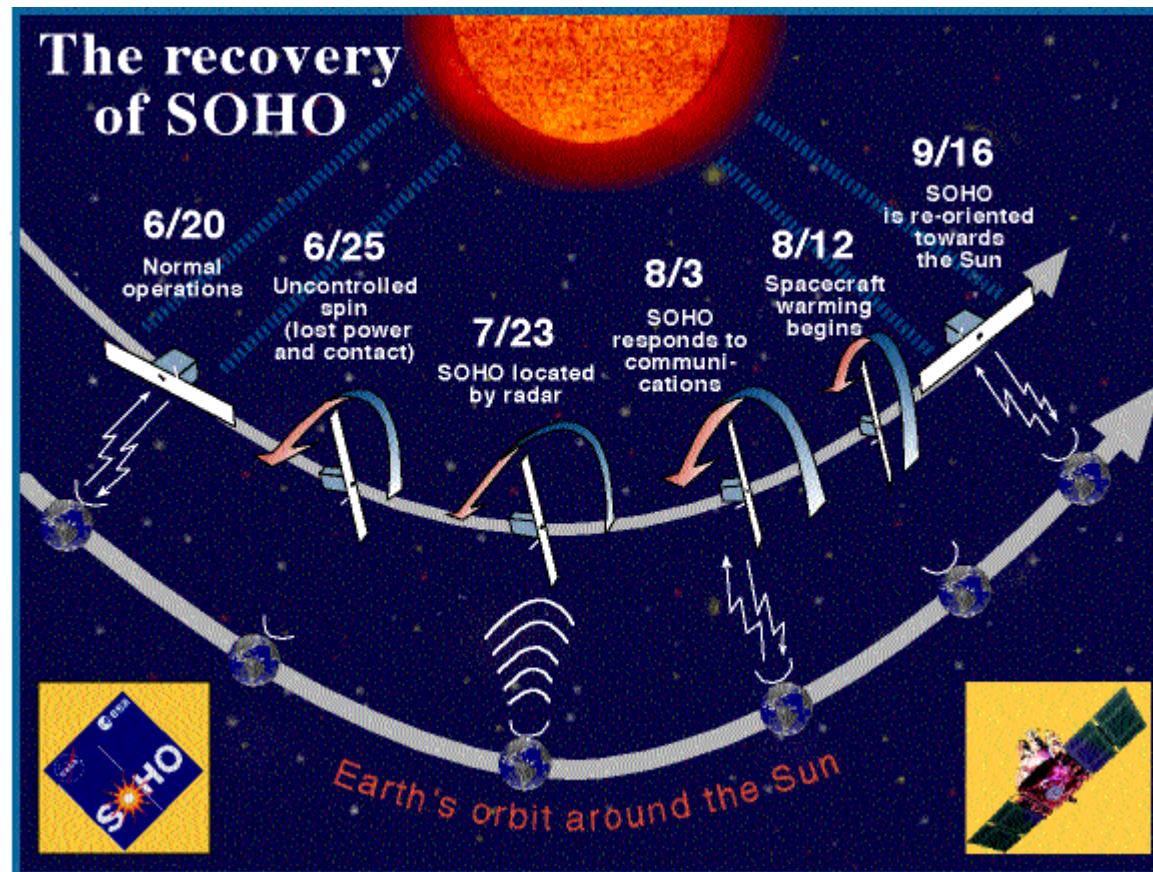

# Question #3

Recovery Temptation: when to respond and when to hold back?

# Question #4

When does recovery end,  
and then what happens?

# Wrap-up

If you are ever in my shoes, then \_\_\_\_\_

If I had it to do over again, then \_\_\_\_\_
